

GROUP OF UNIVERSAL-RUNDLE men have put in a total of 132 years with the nation's third largest manufacturer of plumbing fixtures. Received service pins, some of which were jeweled, at a dinner meeting in Hondo last Wednesday. Left to right, they include George Crawford, 26 years of service; Glen Dun-

PLANS HONDO EXPANSION

Universal-Rundle Corporation has announced the reception Hondo has for its employees, George Crawford, vice-president, told the meeting last Thursday at the Hondo Air Base. A special program honoring officers and key executives of Universal's main plant and the Hondo plant, commenting on the current expansion of the Hondo plant, Crawford said that it would produce more production, giving greater production, and the 50% more employment available.

LEMAN AYS MAIL IGHT AWAY

Postmaster Harry E. Filleman gave some tips on how to get Christmas mail off to a fast start. He urged patrons to start planning to ship early and mail early. He also urged patrons to use the new illustrated pamphlet, "Shipping and Wrapping For Mailing," which describes the size and shape of cartons best for shipping, and lists hints for shipping, and lists hints for shipping, and lists hints for shipping. Copies are available free at the Hondo office. The pamphlet, right wrapping, right addressing are the keys to easy and trouble-free Christmas mailing. Detailed packaging instructions may be obtained easily from the packaging and wrapping department. But the Postmaster has a few do's and don't's for you, as follows: Don't go for flimsy light card and paper boxes in packing your Christmas presents for mail, but do pick strong cartons in good condition. Shredded newspapers, tissue paper, should be evenly placed on all sides of gift item. The carton should be wrapped in heavy brown paper and tied with strong twine. The use of a delicate nature, such as glass, china, electrical appliances, musical instruments, and radios, must be marked "Fragile" by the mailer. Food items should be marked "Perishable" and subject to spoilage. But mark the wrapping with unnecessary wording. Address plainly and properly using postal zone numbers when available. The proper place for the return address is the upper left corner of the parcel. The overwhelming bulk of Christmas mail will be by parcel, and it should be remembered that size and weight vary, depending upon the office of mailing and the office of address. Books may be sent at a special rate of postage, but mailers should not enclose other articles with books at this rate.

GEORGE CRAWFORD and J. S. MACMANUS

Mrs. Howard, 74, Is Homecoming Queen

DEVINE—Three good ways to get your name in the paper are: (1) be related to the correspondent, (2) do something especially spectacular, (3) be a first in some event. Mrs. R. C. Howard of Oklahoma City, Okla. (formerly Miss Hettie Tilley of Devine, Texas) accomplished all three. First, she's my aunt; second, she was crowned queen at the age of 74 years 2 months and 7 days; third, she was valedictorian of the first graduating class of Devine High School. She was also the first Ex-Student to become Homecoming Queen!

Mrs. Howard was winner over five other contestants in the Annual Homecoming Queen contest. The contest was held on Veterans Day in the High School gymnasium. The Queen Contest was described by Hartley E. Howard as being a "horse race" - it was a close one.

Other contestants were Mrs. Sherrill Halliburton - Adams, Class of 1915; Mrs. Elizabeth Williams Elthridge, Class of 1925; Mrs. Elizabeth Howell Sollock, Class of 1935; Mrs. Elizabeth Thompson Lindsey, Class of 1945 and Miss Ella Sue Carpenter, Class of 1955.

Formerly, Homecoming Queens were chosen from high school students and votes were cast at one cent per vote with anyone being eligible to vote. However, since the Homecoming is primarily an ex-students' affair, it was decided by the Board of Directors that future Homecoming Queens be ex-students and that only ex-students be allowed to vote. The voting was cast by secret ballot and a board of judges from the contestants' classes were tellers. Hartley E. Howard, Emcee of the Queen Contest, presented the crown.

At half-time of the Devine-Kennedy Game, the 1955-56 Homecoming Queen was presented an arm bouquet of red roses by Ex-Student's Ass'n. President Arnold Griffin, John T. Sollock, Jr. was chauffeur of the Queen's car, which circled the stadium amid the applause of the spectators.

Mrs. Howard made the trip from Oklahoma City to Devine especially to attend the Homecoming events. She was the house-guest of her brother, Mr. and Mrs. Joy L. Tilley. Mrs. Howard began her homeward trip on Sunday.

The Ex-Student's Annual Homecoming event was well attended with some 200 Exes registering during the afternoon. The ex-students selected as their project for this year, an electrically controlled scoreboard and clock to be presented to the local football stadium.

Over 500 dollars was collected for the scoreboard at the Ex-Student's meeting and at the Homecoming Game.

Son Of Former Hondoans Wins Fame In Wisconsin

George C. Windrow, a Democratic assemblyman from Milwaukee in the Wisconsin state legislature is at age 22 the country's youngest legislator. A former student at Thomas Jefferson High in San Antonio, he is a graduate of the University of Wisconsin.

Both young Windrow's parents were originally from Hondo. His mother was the former Rhoda May Taylor of Hondo, and his father was the late George Windrow, a twin brother of the late Henry Windrow.

Proctor Boys At It Again

Ronnie Proctor, son of Mrs. Bonita Proctor, broke his leg over the weekend. This is bad for an eleven year old, but his mother and his grandmother, Mrs. R. W. Speece, are just about getting used to the idea of having either Ronnie or brother Dickie, 12, laid up at some time during each fall. The chain reaction began a few years ago when Dickie had an emergency appendectomy followed by a siege of pneumonia. The next fall he was accidentally shot in the eye by a gun.

After that, Dickie went skating and broke his leg - his right one.

Now Ronnie, while skating, has broken his right leg in exactly the same place that Dickie's break had been in his leg.

18 Year-Olds Register With Area Draft Board

Ten Medina County 18 year olds have registered with Texas Local Board No. 48 during the past few weeks.

Registrants are: Lupe Bosquez, Jr.; Devine; Douglas E. Holden, Devine; James W. Allen, Devine; Charles W. Stinson, Devine; Cristoval R. Silva, Devine; Hector P. Felan, LaCoste; Frank L. Irwin, Devine; Dennis N. Zinsmeyer, Rio Medina; Roy L. Angermiller, Hondo, and John M. Allen, Yancey.

APARTMENT LISTINGS WANTED BY C. OF C.

Mrs. Winnie Braden, secretary of the Hondo Chamber of Commerce, says that she has had many requests from folks desiring to rent apartments in Hondo but that her listings are exhausted.

She urges folks to phone her if they know of any available apartments in the area.

Rudder Addresses Class 56-O Saturday

J. Earl Rudder, Commissioner of the General Land Office in Texas, will be the graduation speaker for Class 56-O, graduating on Saturday morning, Nov. 19. In addition to being Commissioner, he is also ex-officio head of the land program in the State of Texas.

The new commissioner holds the rank of Brigadier General in the Reserve Forces of the United States, and, as such, is the Commander of the 50th Infantry Division, the only Reserve Division in the State of Texas.

During World War II, General Rudder commanded the Second Ranger Battalion in the Normandy Invasion. His Battalion was assigned one of the most difficult tasks of the entire division when they were ordered to scale the 90 foot bluffs of Pointe du Hoc.

In civilian life, Rudder graduated from Texas A&M College, Class of 1932, with a degree in Industrial Education. He was active in athletics, having won his letter from that College.

The graduating class will hold a Review at the airbase at 9:00 a. m. and the graduation exercises will be at 10:00 a. m. in the base auditorium. The public is invited to attend the Review and the exercises.

Craig Wilson Buried At Yancey

YANCEY — Funeral services for Craig Wilson were held Sunday afternoon, Nov. 13, at the Horger Funeral Home in Hondo, by the Rev. Earl Slade. Burial was at the Yancey Cemetery.

Craig was born Nov. 8, 1929 in San Antonio. He was married to Mary Louise Decker September 9, 1951. He passed away on Nov. 11, 1955 at the Medina Hospital in Hondo.

Mr. Wilson is survived by his wife, his parents, Mr. and Mrs. J. N. Wilson; a sister, Mrs. Earl Berry of Salado; two brothers, Lawrence of Somerset and Willard of Freer; five nephews, three nieces and a host of other relatives and friends.

He joined the Methodist Church in Yancey at the age of eight and lived a sincere Christian life. He served his country faithfully from February 1951 to February, 1953. He was also a member of the Masonic Lodge.

Pall bearers were Roy Wilson, Albert Wilson, Robert Batot, Joe Fohn, Audie Vee McCrea and Vern Jobst.

★ Early Paper Next Week

Due to the holiday next week, the Anvil Herald will have to publish a day early in order that folks on rural mail routes and city delivery will get their papers at the usual time.

Tuesday noon will be the deadline for all news copy, and correspondents are asked to mail their news items Sunday night so that we will receive them Monday.

Broom, Mop Sale To Benefit Lions

The Hondo Lions Club at their regular meeting Wednesday, laid out further plans for their broom and mop sale to be held on Wednesday, Nov. 30th. All goods sold will be obtained directly from the Lighthouse for the Blind in San Antonio, where the goods are made.

The sale will benefit the blind workers, and will provide funds for local Lions Club visual conservation projects. Merchants and housewives will receive value for their money as the goods made by the blind have a reputation of being of the finest quality. Lion members will sell the brooms and mops downtown at noon and will then try to cover the residential area later in the afternoon.

Advance orders may be placed with Harry Filleman, the activities chairman.

JURY ROOM BEING GIVEN FACE-LIFTING

Work has begun on the conversion of the old grand jury room on the third floor of the courthouse to something more modern. Plans and specifications were released on bid by the commissioners court and that of Alfred Brucks was accepted.

Brucks bid \$2,734. G. T. Wilkerson of Devine submitted a bid of \$3,788.33 and Alamo Lumber Company priced the job at \$4,289.5.

Brucks is to complete the rejuvenation in 85 days from the middle of October according to specifications of the job.

Garden Club Favors Zoning Law

Members of the Hondo Garden Club voted unanimously Friday to go on record as favoring prompt action to the forming of adequate zoning laws for Hondo. A resolution was written and mailed to the mayor and city council stating this decision.

Meeting in the home of Mrs. F. D. Garrison, the club was shown a proposed landscape design for the area surrounding Hondo's famous sign on the east side of town. It was drawn by Rudolph Reifogel, landscape architect for the Texas Highway department.

Mrs. Garrison presented a unique program on the preservation of flowers by drying. She explained three methods: hanging in dark closet; placing stems in glycerin; and laying flowers, which are picked at their prettiest, in a box of borax.

The speaker named which plants are best suited to each of the three methods and showed arrangements which she had made incorporating each of the three plans.

Mrs. Garrison was introduced by the vice-president, Mrs. E. J. Leinweber, Jr. Mrs. E. L. Kelley, president, conducted the business meeting.

Miss Schmitt Buried In Castroville

Miss Kate Schmitt, aged 75, passed away Thursday morning, Nov. 10. She was a life-long resident of Castroville.

She is survived by three sisters Mrs. Ida Bates of Richmond, Calif.; Mrs. Theresa Illis and Mrs. Albert Hoog of Castroville. Brothers are Frank of Castroville and Alfred of Rio Medina, and a large number of nieces and nephews.

Funeral services were held at Tondre's Funeral Home Saturday morning and Requiem High Mass was in St. Louis Church, Father David Meurer officiated.

Pall bearers were Joe and William Illis, George Schmitt, Thomas, Albert, Jr., and Raymond Hoog, nephews of the deceased.

RELATIVE OF BOHMFALKS DIES IN CALIFORNIA

Mrs. Marie Bohmfalk Carter of Gardena, Calif., passed away on Nov. 10. Medina County brothers and sisters of Mrs. Carter are Fritz Bohmfalk, Mrs. Amanda Ward and Mrs. Martha Ward. Charles Bohmfalk of Vanderbilt is also a brother of the deceased and there are other survivors in California.

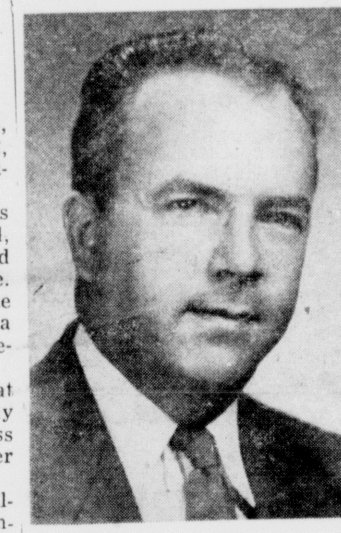

Stockholders Turn Affairs To Council

★ Football Tickets On Sale

Persons holding season football tickets this year will be entitled to have first option on the same seats for any games played here in the state play-off series.

Tickets for the Hondo-Three Rivers game, which will be played on Barry Field Friday night, Nov. 25, will go on sale at the City Utilities office Friday, Nov. 18. Holders of season tickets will find their regular tickets available for them there. Superintendent of Schools, J. G. Barry, urges that folks not call the school nor the City Utilities office for reservations, but buy the tickets over the counter Friday morning.

CAMP FIRE SCHEDULES DINNER 21ST

Olin W. LaBaron

Principal speaker at the annual dinner of the Medina County Council of Camp Fire Girls will be Olin W. LaBaron of San Antonio. Presently Executive Secretary of Community Welfare Council of San Antonio, LaBaron has a Masters degree in Social Administration from Ohio State University. He has been an officer and past president of many welfare organizations.

Bob Kollman, president of the Medina County Council, will preside at the annual affair to be held in the high school cafeteria Monday night, Nov. 21.

Reservations for the dinner must be made by Saturday noon, Nov. 19, and tickets are available from Mrs. Bob Corder. The eighth grade group of Horizon Club Girls, under the leadership of Mrs. Katherine Vincent, will serve.

Hondo Catholics Pledge \$6,552 On School Support

Fifty-six members of the St. John's Catholic Church pledged \$6,552 toward a fund for Catholic educational institutions Tuesday night, at a kick-off dinner.

The group was making final plans for a drive to be conducted Sunday over the entire San Antonio Arch-Diocese, and this amount was their own personal pledge. Every member of the parish will be seen Sunday during the simultaneous effort, and the goal is \$2½ million dollars for the arch-diocese.

The money is to be used for support of Catholic schools.

★ Pleasanton Reprints Editorial

The Pleasanton Express, a neighboring weekly newspaper to our south, ran a reprint of the Anvil Herald's zoning editorial in their issue of Nov. 11.

Originally in the Anvil Herald on Nov. 4, the editorial called for adequate provisions being made in the proposed ordinance for Hondo.

Commenting on the situation, the Pleasanton paper's editor, Wally Daetwyler, said that his town also needed that type of ordinance and that the statements made in the Anvil Herald editorial covered the needs of Pleasanton also.

At a meeting of the stockholders of the Hondo Cemetery Association, held in Hondo on Nov. 9, it was decided by unanimous vote to turn the Hondo Cemetery over to the City of Hondo, the Hondo City Council having previously indicated their willingness to assume this responsibility.

The Hondo Cemetery Association was formed in 1905, with George I. Wilson, grandfather of Homer Wilson, as its first president. Mr. Wilson was replaced upon his death in 1910 by Judge H. E. Haass, who continued to direct the activities of the association until about ten years ago, when he was unable to continue due to advanced age. The Cemetery Association had not met since March, 1945 until the meeting in Hondo last week, almost all of the original directors having died during the long years of operation; but by turning the assets of the association over to the City of Hondo, the remaining members of the association have insured that the work they have done for so long will be continued in the future.

This agreement between the Cemetery Association and the City of Hondo was largely the result of the efforts of Dr. Thos. B. Knopp, a member of the City Council, and a stockholder in the Cemetery Association. It followed failure of one of many efforts to secure water for the cemetery by public subscription. Under the new set-up, it will be legally possible for the City of Hondo to operate and maintain the cemeteries in and near Hondo.

Mayor O. A. Fly of the City of Hondo has announced that the City Council will investigate cemetery operations in all cities near Hondo having desirable and beautiful cemeteries so that the City of Hondo may benefit from their experience. For the time being, there will be no changes in the operation of the cemeteries, but it is planned to provide water in the near future, and to make arrangements for keeping the cemetery clean and attractive. Plans will be made after due study of the problem.

Mayor Fly pointed out that all of the citizens of Hondo owe a debt of gratitude to the stockholders and directors of the old association who through the years have devoted so much time and effort to providing a cemetery for the town of Hondo. For many years Hondo was an unincorporated town having no city government to perform such necessary functions. As the last act of the Association, its members have provided for continuation of their good work.

C. F. Schweers To Head Dimes Drive In Medina County

C. F. Schweers will direct the 1956 March of Dimes for Medina County, it was announced today by the local polio fighting group.

In announcing the 1956 campaign, Mr. Schweers stated, "The 1956 March of Dimes is of greater importance than ever before. Although 1955 saw the first mass use of the Salk polio vaccine, gladdening our hearts—we must remember that there are more than seventy thousand polio patients who will require assistance from the National Foundation for Infantile Paralysis. Every person in Medina County who realizes the importance of the National Foundation and benefits of the March of Dimes will want to help. For those who are not aware of this, one of the greatest of all civic movements, we will welcome them to our group."

According to Texas Department of Health records, one case of polio has been reported in this county so far this year. Added to the polio patients stricken in previous years, the need for a more successful March of Dimes in Medina County is apparent to everyone.

C. J. Monkhouse Wins 50-Year Pin

Charles J. Monkhouse was honored in Gonzales Monday night, Nov. 14, by that city's chapter of Royal Arch Masons.

Mr. Monkhouse has been a member of that chapter for 50 years and he was presented a 50-year pin from the General Chapter of Texas, Royal Arch Masons. The Gonzales group also presented him with a 50-year membership certificate. Accompanying Mr. Monkhouse to Gonzales were members of the Hondo Chapter, O. A. Fly, N. P. Pope and Dr. T. B. Knopp.

Castroville Homecoming Held Saturday Evening

CASTROVILLE — Castroville High School held its annual Homecoming on Saturday, Nov. 12, 1955. The activities got under way at 5:00 p.m. with a parade led by the Wildcat Pep Squad.

Following the Squad was Coach Charles Koch and the Wildcat Football Team. These classes were represented by decorated cars in the parade: 1955, 1954, 1953, 1941, 1936, 1935, and 1931. The parade ended at Wildcat Field with a spirited Pep Rally centered around a huge bonfire in which a dummy representing the LaCoste Eagles was sacrificed. Short pep talks were given by Ex-graduates followed by enthusiastic yells and cheers by the entire group. The afternoon activities climaxed with the School Song.

Half-time activities during

the Castroville-LaCoste football game included the Coronation of the Homecoming Sweetheart, Miss Lucille Rihn. She was escorted through a broken heart formed by the Pep Squad by Co-captains Kenneth Bendele and Jarvis Stein, while the Moyer Military Band played a lively march. Preceding them were Joe Skarda and Lyn Eckert, carrying the crown and flowers. Lucille was crowned by Superintendent Herring and then presented with a spray of gold mums by Co-captain C. J. Krenmueller. After being led to her golden throne of honor, she was entertained by the LaCoste and Castroville Pep Squads, and there reigned for the duration of the game.

Immediately after the game, a Homecoming Dance was held at Koenig Park.

From where I sit... by Joe M

Seen Monk's "Better Half"?

Monk McCarthy's latest creation has the town talking again. You can see it parked in front of Monk's auto repair shop on Maple.

Remember last year Monk cut two cars in half, and put their front ends together? You couldn't tell if the thing was coming or going. Sure attracted attention.

Now Monk's taken Tog Morgan's old sedan and completely restored one half of it. One side is as good as new, the other looks like—well, Tog's old car. "Sort of a before-and-after demonstra-

tion," Monk told me, "showing the kind of work I do."

From where I sit, so Monk's ideas may look wild sometimes... but I want to tell him how to business any more than him to tell me what he's doing. He always keeps a of tea in his garage—I'd have a cold glass of beer—spect for each other's opinion "auto"-matic with us both.

District 4-H Council

A district 12 4-H club council will be organized in Laredo on Saturday, Dec. 10. Representatives from the 22 counties in the district will meet in the Pan American Room in the Plaza Hotel in Laredo. Donnie Neuman and Mary Griggs, co-chairman of the Medina 4-H council were elected at the local council meeting Saturday to attend the meeting.

Club Women Honored

Mrs. Walter Etter, education chairman of the county home demonstration council had charge of commenting on one of the outstanding women in each of the nine home demonstration clubs. Each club made their selection and presented the women with a corsage. Mrs. Paul Bendele pinned the flowers on Mrs. Alfred Neuman who has been active in the Biry club for five years. She has held all the offices in the club and served on various committees of the club and council. She has a daughter who is feeding lambs for her club demonstration. Her club described her as a wonderful mother and homemaker.

Mrs. C. V. Green pinned flowers on Mrs. Anthony Barros who is active in the Castroville H. D. club, in her church and civic affairs. She is a charter member of the H. D. club which she helped organize four years ago. She is vice-president of the club and has been secretary and treasurer.

Mrs. D. G. Odam was selected by the Devine Home Demonstration club as an outstanding member for her work in the club, in county-wide activities, council and 4-H club work. She does quite a lot at home program-freezing, canning foods and sewing for her family. Mrs. W. W. Pitts pinned Mrs. Odam's corsage.

Mrs. Francis Echtle pinned the LaCoste flowers on Mrs. J. J. Heisser who is a faithful and willing worker, has participated in many county activities, has been a delegate to the district and state meetings and at present is serving on the State Recreation committee for the THDA.

Mrs. Milton Leinweber pinned by Mrs. Arnold Nietenhoefer was Leinweber's choice for being one of the members who organized the club about 15 years ago. She is an active leader, demonstrator

and a swell homemaker.

Mrs. Daniel Menk was named one of the outstanding women by the Murphy H. D. club and was presented a corsage pinned by Mrs. John Coyle. Mrs. Menk is always willing to serve in any way she can, she has held offices in club and council, is a good seamstress and has placed first and second in county dress review.

Mr. Earl Balzen pinned the Rio Medina corsage on Mrs. Winfred C. Whitehead who has held all club offices and served as treasurer and vice-chairman and is 1956 chairman of the County Home Demonstration Council. She also takes an active part in church and community activities.

The Yancey Home Demonstration club chose Mrs. Fielding Weimers, one of the club's youngest women who has been active in all club activities. For two years, her entries in dress reviews have placed first and second. Mrs. Paul Bendele pinned the corsage in the absence of Mrs. Harrison Wilson.

Mrs. B. J. Robbins, Natalia Club president for 2 years was selected as Natalia's Home Demonstration club's outstanding woman and her corsage was pinned by Mrs. L. M. Cummings. She is council treasurer. She is a good homemaker, sews her own clothes, quilts, cans and freezes food; and was instrumental in helping the mental patients in SA in their therapy work.

Mrs. Robbins, a worthy hard-working member of the Natalia Home Demonstration club was surprised when the Natalia H. D. club presented her with a corsage for her outstanding work with the 4-H club boys and girls. Mrs. Floyd Cole commented and presented the corsage to Mrs. H. R. Flack.

More will be written about the Achievement Tea next week.

Fruit Cakes

Fruit cakes need to set a month. Let's bake them now. There are 3 different fruit cakes: Famous Old Dark, White Fruit Cake and the Uncooked. Be sure and line pans with heavy brown paper and bake in a slow oven. Wrap cakes tightly if you wish to freeze them and thaw without unwrapping. Here's wishing you real success in a festive Christmas season.

WILLARD WILSON CAR WRECKED BY COW SUNDAY

YANCEY — Mrs. Willard Wilson and boys, after attending the funeral of her brother-in-law, Craig Wilson, left for her home in Freer Sunday afternoon so she could get the boys back in school Monday. (Willard had a few days off from work and was staying over with his parents). A few

miles out on Highway 173, out of Devine, the children became restless, one falling against the steering wheel, pulling the car off the road, hitting and breaking off a post at a culvert. Mrs. Wilson pulled the car back on the road and when she tried to get back in her own lane, she swerved in order to miss a cow, turning the car over across the middle of the highway. A man came along, helped them out and went for help. No one was seriously hurt. The baby had a few scratches and the car had a few dents and one broken window.

M&M Campbell of SA spent the weekend with M&M John Harding.

M&M John Faseler attended the Homecoming at Somerset Friday and went to Pearsall Friday night to see M&M Elmer Faseler. Saturday, the Faselers went to San Marcos to see the Bobcats play Sam Houston. Their son, Johnnie, plays with the Bobcats.

M&M Fred Allen, Jr. and Martha Nell of Campbellton and M&M Wayne McAnelly and boys of SA were out for the weekend with the E. T. Wiemers.

Miss Mary Wiemers spent the weekend with her mother, Mrs. Emma Wiemers.

Mr. Ivan Campbell of Uvalde was down one day last week, at his hunting lease in the Nick Wilson place. He also visited the W. S. Garnetts.

M&M Bill Garner and family of Belton spent the weekend with her parents, M&M Buford Wilson.

The 1956 Buick CENTURY
4-Door Riviera

Get 4-Season Comfort in your new Buick
with FRIGIDAIRE CONDITIONING
— now at a new low price

NOW —
Just touch the pedal
and away you go!

(That's the New Variable Pitch Dynaflo*)

OF COURSE, you can floor the pedal of this stunning new '56 Buick and get the full-power sweep of its advanced new Variable Pitch Dynaflo.

That's how you switch the pitch of this airplane-principled transmission for instant safety-surge acceleration to get out of a tight spot on the highway.

But now you get a brilliant new response at the start of pedal travel, too.

Now you get a solid take-hold for instant take-off in the first inch of pedal action — where most of your normal driving is handled. And you get this

great new getaway with a big boost in gas mileage, too.

So there you are, just nudging the pedal, and getting action that makes you feel like you've floored it.

There you are, handling all your normal driving situations with a confident toe-touch — with new surety and snap — and with the happy satisfaction that comes with a sizable step-up in the miles you get from a tankful of gas.

And there you are, rolling along with beaming pride as boss man of the best Buick yet.

For here you have, beating any past Buick, the greatest power yet — the boldest styling yet — the sweetest ride yet — the smartest interior yet — and, by far, the best buy yet.

Drop in on us this week — tomorrow, if you can — and see for yourself that there's never before been anything like this Buick beauty for 1956.

*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century — optional at modest extra cost on the Special.

When The Fire Whistle Blows...

The Anvil Herald is presenting this public service feature as a tribute to our excellent Volunteer Fire Department.

It isn't often that a wife is present when a fireman is being interviewed, but this week, Elizabeth Rath was an interested bystander. Of Rudy's participation in the Hondo Volunteer Fire Department, Elizabeth was in hearty agreement that it wasn't just the members of the VFD but a family matter when firefighting is concerned. "I'm just like all the other wives," she smiled. "I'm the first one to turn on the light and stand by to hand him his pants, shirt and see to it he gets the right shoe on the right foot — and to have the screen door wide open because if I didn't, Rudy would sail right on through it without bothering to see whether it was latched or not."

Their children, Carol Ann and Chris, are avid fans where the fire department is concerned. Chris, especially, feels it a personal duty to be among those present when barbecue is at the tasting stage and lives from one family night to the second during the year for a ride on the big fire trucks.

Rudy has been a member of the VFD since 1939 and since he is probably living closest to the fire station, usually is the first one there when the whistle shrills. He has been active in many civic organizations. At one time he was manager of the Chamber of Commerce, one time president of the Lions Club and past district governor of the Lions, to mention just a few of his offices. Because his cafe demands so much of his time, he is no longer active in club work, but he will drop whatever he is doing when the whistle summons the firemen.

"Maybe we ought to tell people a little more about the amusement fund the firemen have," Rudy commented. "It is a separate fund from the operating fund and is kept up by contributions from the firemen only."

In order to keep the amusement fund solvent, each fireman who attends the meetings on the third Thursday evening of each month contributes \$1. There is a committee of five firemen taken in alphabetical order, who plan the menu each month. The amount in the fund usually determines what the boys will eat and the menu is varied. "It isn't always barbecue," Rudy grinned. "We've had rabbit, chicken, fish, hamburgers and just about every hearty dish a man could wish for. It hasn't ever gotten to just toothpicks and water, but if the fund was that low, I think the boys would get a big kick out of that, too!"

There are never any guests invited to the one evening during the month devoted to fellowship and fun. It is strictly a fireman's night to relax with his

team-mates and they usually either "chew the fat, play cards or dominoes or shoot pool." But even on that night, the big trucks are warmed up and driven around just to be sure they are still in tip-top shape for the next time the alarm sounds.

"There is only exception about guests," Rudy explained. "Whenever some grateful person donates sheep or a calf to the firemen, that person is invited to share the feast and fellowship and is allowed to invite one or two of his friends."

Rudy remembers many fires for many different reasons, but he said the time when he was the most amazed with the 38-40 member turnout in answer to an alarm was about four or five months ago when Hondo had such a wind and rain storm and it shorted the alarm system so that it kept popping off. In that terrible weather, the men assembled quickly, had a good laugh over some of the costumes the members showed up in, and took turns holding the button on the system to keep the siren from sounding off, and all this while they were wading knee-deep in water.

"I'm still disaster chairman for

the Red Cross and find that dovetails with my duties as a fireman," he remarked, "because any time there is a flood or wind-storm or any other act of God that endangers property or lives, I have a committee of 49 firemen who will answer the call to help someone in distress."

Highlights and Sidelights FROM Your State CAPITOL

AUSTIN — Sentiment to persuade U. S. Sen. Price Daniel to run for governor next summer is growing.

Senator Daniel has been in Austin and other cities over the state the past month holding subcommittee hearings on narcotics traffic. On the side he has talked with many local political leaders.

Reports were that some spokesmen for both liberal and conservative factions hoped that by supporting Daniel they could avoid a repetition of the 1954 gubernatorial slugfest.

Daniel has said he will not announce his intentions until after Jan. 1.

More Super-Roads

A four-lane highway connecting all population centers should be Texas' aim, says Gov. Allan Shivers.

Addressing a meeting of the Texas County Judges and Commissioners Association in Austin Shivers praised the farm-to-market highways. But, he said, "our trunkline system has not fared too well."

At least 3,000 more miles of heavy-traffic roads are needed, Shivers stated. He added that "such construction would pay for itself with increased gasoline tax revenues. But people seem more willing to pay more expensive toll roads than state taxes."

Where to Put Pupils

Despite mammoth construction outlays, Texas' public schools still are fighting a losing battle with enrollment figures, says the Texas Education Agency.

If buildings and pupils continue to be added at the present pace, the state will be short 24,000 classrooms by 1960, TEA estimates. This despite the fact that during the past six years Texas spent \$432,000,000 on school buildings — or far more than any other southern state.

Population shifts, both within and to the state, as well as the rising birth rate, cause the dilemma, says TEA.

Duval Decision Stands

Hope is apparently ended for any change in the decision of the Court of Criminal Appeals nullifying 104 Duval County indictments. The court refused to reverse its ruling that the grand jury which returned the indictments was improperly constituted.

Acresage Cut Protested

Disgruntled West Texas farmers took a verbal swipe at the State Agricultural Stabilization and Conservation Committee.

In making 1956 cotton acresage allotments the committee allowed a slight gain for Central and East Texas counties, but left West Texas seven per cent short.

Parr Case Before Court

The Texas State Supreme Court will review a case to decide if and when George Parr is to be tried on a civil recovery suit. State action seeks to regain \$500,000 in county funds Parr allegedly used to buy a ranch.

Hearing on Hood Promised

A small ray of hope has developed for the "save Fort Hood" forces in Texas.

Citizens in a 12-county Central Texas area have been stirred up ever since the Army announced plans to move half of Hood's personnel to Louisiana.

St. Louis School News

By Rosalie Stein

The St. Louis High students are pleased with their new classrooms, which flank the south side of the school building. On Nov. 7, the students held their first classes in the new building. A silver tea was sponsored by the Mothers' Club so that all might view the modern high school on Nov. 13.

The nine weeks' examinations were held during the first week in November. Report cards were given to the high school students on Nov. 10, while grammar grades received their reports this past week.

Homecoming Sweetheart

Arlene Bippert was chosen as the St. Louis Homecoming Sweetheart by the Comets during the half-time activities of the game versus Peacock on Oct. 29. Miss Bippert was crowned and presented with a bouquet of mums by co-captains Henry Lee Keller and Stephen Haby, and then led her Lurone, an immense football fashioned from buckram and placed on a miniature creation of the end zone of a football field beneath the goal post.

Comet Game

The St. Louis Comets ended their successful football season on Nov. 11 with a thrilling game versus the Bracketville Tigers. The game, which was the last for the three seniors — Henry Lee Keller, David Bippert, and Maurice Etter — resulted in a tie, 13-13. The Comets, this season, copped their first South Texas Academic League Championship with a 5-4-1 record.

Parade

On Nov. 11, the St. Louis pep squad participated in the Veteran's Day parade, which commenced at the Legion Hall and terminated at September Square, where Mrs. Mayme Rihn placed a wreath on the monument honoring the war veterans. L. D. Knuckles was master of ceremonies, while Father Meurer gave the invocation and benediction.

FFA Boys Sporting New, Blue Jackets

New blue jackets were the style Monday morning during Hondo High assembly when 11 Agriculture I boys, two upperclassmen and the FFA Sweetheart, Mary Lu Moos received FFA jackets. Receiving were Butch Smith, Jack Moos, Bobby Moos, John Shepperd, John Henry Meyer, Richard Saathoff, Harold Cornelison, Johnny Korbell, George Gooding, Charles Steigler, Charles Zuberbuehler, Wesley Neuman and Clyde Bohmfalk.

All the FFA boys who have been a member of the five leadership teams the past two weeks were given special recognition during the Assembly program. Four senior boys who qualified for state leadership contest three years ago in rope-making, were also recognized. This team was made up of Jerry Muennink, Charlie Muennink, W. J. Schweer and Freddie Wright. Hondo has had two teams qualify for state leadership contests in the past eight years that it has been entering this type of event.

Good Hunting Ahead -- Says State Game Commission

AUSTIN — Texas hunters generally will find abundant targets of well conditioned deer when the big game season for the state at large opens one half hour before sunrise Nov. 16, reports the Executive Secretary of the Game and Fish Commission.

Under the General Law affecting primarily the main whitetail range in the Edwards Plateau, nimrods are entitled to two buck deer. But there are so many local laws affecting blocks of counties and individual counties, as to dates, limits and other conditions such as restricted weapons, that the Executive Secretary cautioned hunters to check with their local Game Wardens if a copy of the Game Law Digest is not available.

It was estimated that in excess of a quarter million of Texans will share in the shoot which, under the General Law, runs from Nov. 16 through Dec. 31. The total combined bag is expected to approach fifty thousand deer, mainly bucks although antlerless deer will be taken under special authority as a means of harvesting the yearly increase in certain areas where ranges are stocked to capacity with deer.

The opening day barrage will climax a lengthy preliminary period which, with some hunters, begins when the previous season ends. Principal business, of course, concerns contacting landowners for seasonal leases. Many gunners who renew their hunting rights year after year maintain close touch with the property holders and oftentimes, during such as drought emergencies, help buy feed for the animals.

Incidentally natural food has been generally adequate for the first time in several years, according to E. A. Walker, Director of Wildlife Restoration. He said the acorn crop, a basic and favorite part of the deer's diet, is good this fall.

Bureau Directors Meet; Committeemen Announced

Medina County Farm Bureau directors met in Hondo Monday evening at the Court House with Jerry Howard presiding.

Marcellus Garrison, past president, and Alvin Balzen, director from Upper Quihi community, gave reports on recommendations and resolutions that were considered and passed at the State convention which was held in Fort Worth last week.

County-wide problems of interest to all farmers and ranchmen were discussed with County Agent C. B. Gaston. Special consideration was given to the prospects of 30-day visits to 4-H projects, aid in marketing products, more publicity as a means of information for all interested in farming and ranching and more personal contacts in each community.

The following committees were appointed: Membership, A. O. Gilliam and all County Farm Bureau directors; Legislative, Marcellus Garrison, Judge A. H. Rothe, B. D. Carl; Services to Members, Guy Mayhew, Arnold Lindeburg, Olan Karm; Resolutions, Bradley Bailey, Alvin Balzen, Calvin Hardt, Douglas Riff; Publicity, Mrs. Alvin Balzen, Mrs. E. M. Delavan, and C. B. Gaston.

State Convention

Marcellus Garrison, past president of Medina County Farm Bureau, and Alvin Balzen, director from Upper Quihi community, attended the 22nd annual State convention at Fort Worth last week.

Among the men who spoke to farmers were such outstanding State leaders as J. Walter Hammond, State president; Charles B. Shuman, president of the American Farm Bureau; Honorable Clinton P. Anderson U. S. Senator from New Mexico; and Honorable Albert Gore, U. S. Senator from Tennessee.

BUCKY VAN FLEET was first to ring a buck, which he nailed at on the Hugo Saathoff Ranch, U.S. 222, he shot the eight-pointer in neck. It dressed out at 80 pounds.

BELOW:

AT 7:25 A. M., I. B. GOODING used one shot which landed in brisket. A fat animal, it dressed at 90 pounds. Gooding found the Joe Steinle place east of Riohinda.

PAGING THE LADIES

AFFIANCED COUPLE HONORED

A betrothed couple, Miss Mary Ann Noonan and Henry Guerra, were honored Saturday night when Mr. and Mrs. Bob DePuy entertained for them in the DePuy home.

Yellow chrysanthemums were used on a table in the entrance hall and bronze mums were arranged in a crescent design on the piano in the living room. The dining table held an arrangement of white carnations.

Miss Noonan wore a black taffeta sheath dress. It featured a small self-material bow at the round neckline and a large bow just above the hemline in back.

She and Mr. Guerra will exchange vows on the morning of Nov. 26 in San Fernando Cathedral, San Antonio. A reception will follow at Willow Way, home of Mr. and Mrs. O'Neil Ford, cousins of the bride-to-be.

Sollock-Ward Rites Nov. 11 In Sabinal

Rev. W. S. Ezell of Sabinal read the wedding ceremony for Miss Rebecca Ann Sollock and Ross Everett Ward at the Sabinal Methodist parsonage on Friday Nov. 11th at 11 a. m.

The bride and groom were attended by Miss Peggy Ward and Lynnwood Sollock, Jr. Mr. Lynnwood Sollock gave the bride away.

Miss Sollock wore a navy blue taffeta dress and blue shoes with white hat and white accessories.

After the ceremony Mrs. Ezell gave a coffee for the guests. The decorations were yellow and silver. The center piece was yellow chrysanthemums. The cake was covered with silver and gold sequins to the queen. The princess, Judy Haby, daughter of Mr. and Mrs. Henry Haby, escorted by Mr. and Mrs. Carl Richter, Jr., son of Mr. and Mrs. Carl X. Richter was crowned by Carmen Beyer.

The court then paid homage to the queen and preceded her in a stately march out of the auditorium.

Miss Bayer has also received other honors in her high school days. She has been a cheerleader for three years; president of the F. H. A., F. F. A. sweetheart; secretary and treasurer of the F. H. A., and is on the Student Council and Annual Staff. Her favorite sports are basketball and volleyball, and she loves to watch football games.

Miss Bayer Crowned Queen In Castroville

CASTROVILLE — On Saturday night, Nov. 5th, a petite senior of Castroville High, Miss Carmen Bayer, daughter of Mr. and Mrs. Rudolph H. Bayer, escorted by her classmate, C. J. Krenmueller, was crowned queen of 1955-'56 by Miss Helen Murrell, ex-queen.

Miss Bayer wore a delicate pink taffeta floor length gown. The fitted lace bodice with the bouffant net skirt was accented with a graceful handkerchief over-skirt.

The candidates all wore pastel colors accented by tulle bustles and carried tulle muffs of the same material. They entered to the strains of the March from Aida, played by Miss Don Lawrence, and were met by their escorts on the stage. Each girl made a full court bow before taking her place around the throne which was a gilded peacock chair flanked by two tall wicker baskets, also gilded, and filled with pampas grass blooms.

After the court assembled, Helen Murrell entered, carrying the scepter, bowed to the audience and court and then presented the scepter and train of aqua chiffon velvet trimmed with gold velvet covered with silver and gold sequins to the queen. The princess, Judy Haby, daughter of Mr. and Mrs. Henry Haby, escorted by Mr. and Mrs. Carl Richter, Jr., son of Mr. and Mrs. Carl X. Richter was crowned by Carmen Beyer.

The court then paid homage to the queen and preceded her in a stately march out of the auditorium.

Miss Bayer has also received other honors in her high school days. She has been a cheerleader for three years; president of the F. H. A., F. F. A. sweetheart; secretary and treasurer of the F. H. A., and is on the Student Council and Annual Staff. Her favorite sports are basketball and volleyball, and she loves to watch football games.

Miss Lawler, Mrs. Schott Honored 7th

CASTROVILLE — The Castro Garden Club met Monday, Nov. 7, in order that members might attend the Flower Show held at Pearsall on Tuesday. The meeting was held at the home of the president, Mrs. R. J. Schott, who has donated the use of the building now called Cactus Corner to the Club, and Miss Ruth Lawler, who has been hostess for all the meetings and is one of the charter members. They were given chrysanthemum corsages.

During the business meeting, it was voted that Mrs. Stanley Keller act as manager of the Cactus Corner and assist the president.

It was also decided that the hours for the Cactus Corner would be changed. The hours are now from 9 to 11 in the morning and 2 to 4 in the afternoon, on Saturdays only, unless there is a special sale scheduled.

Mrs. Louis Hart, Sr. was welcomed as a new member. Before the meeting closed refreshments were served. The papaya trees loaded with fruit that are growing in the Schott yard attracted much attention. The next meeting in December will be an important one as the Christmas program and decorations to be made will be decided upon.

Castro Camp Fire Girls Have Fun With Activities

CASTROVILLE — Good times have been had and interesting things have been done by the No we tom pat 'im mim Camp Fire Girls during their fall meetings.

Group singing and dancing, the making of chemical gardens (using only chemicals and water) and the making of leather key cases are some of their activities.

Now, symbolism, the picture language of the American Indian is stirring up much imagination. Many symbols have been learned and are being applied to picture stories.

Members of the group are Barbara Biediger, Sylvia Green, Bettie Burges, Kathy Richter, Henrietta Cadena, Kathleen Kauffman, Jacqueline Thornton, Linda Beck, Nelrose Ruempel and Lupe Garza. Mrs. Mary Margaret Burges is the guardian and her assistants are Mrs. Charles Green and Mrs. Dan Ruempel.

Heirman Boys Honored On Birthdays

Mrs. Leo Heirman entertained with parties for two of her sons on their birthdays this month. Bobby was six on Nov. 1 and Alan was nine on Nov. 5.

Mrs. Heirman was assisted by her mother, Mrs. John Gravens of Abilene, at Bobby's party.

Guests attending were John Eddie Huie, Stevie Holloway, Gary Benedict, Onis and Delwin Wiemers, John Edward Price, Jim and Al McAnelly, Mike Jesse, Ronnie Putman, and the honoree's brothers, Roger and Alan Heirman.

The boys were served punch, ice cream and cake. The cake featured cowboys and the guests were given balloons, bubble gum and toy horns.

Mrs. Elgin Wiemers and Mrs. Joseph W. Holloway also attended.

Alan Heirman took his guests to a movie, after which refreshments were served to Mike Jesse, Jack Hartung, Michael Holder, Tommy Woods, Jamie Johnson, Billy Joe Mumme, Rickie Davis, Bill Strait, Bill Williams, Bradley Benedict and Leon Joiner.

Autumn Theme At Woman's Club Meeting

The Medina Valley Woman's Club met Nov. 9th in the home of Mrs. E. H. Whittington with Mrs. C. V. Kerr and Mrs. J. N. Kretzer, co-hostesses.

The autumn theme was carried out with arrangements of beautiful chrysanthemums in the living room. The centerpiece on the dining table consisted of fruit and nuts arranged to form a cornucopia.

The business meeting was called to order by the President, Mrs. L. C. Gray.

Plans for a Christmas party were completed.

Mrs. Minnie Lee, a new member was welcomed into the club.

Following the business meeting Mrs. R. D. Bell of San Antonio, 1st vice-president of Texas Congress of P. T. A., conducted a parliamentary drill.

In keeping with the autumn decorations, refreshments of coffee, pumpkin pie and nuts were served during the social hour.

Mrs. J. N. Kretzer

THE ENGAGEMENT of Miss Carolyn Faye Hardcastle to Airman First Class John Kuttner is being announced by her parents, Mr. and Mrs. Roscoe Hardcastle of Devine. The groom-elect is the son of Mr. and Mrs. John J. Kuttner of Fall River, Mass.

Like to drive 'er? Like to see why we say the hot one's even hotter this year? Want to sample all the things that make this '56 Chevy a champ?

That's easy. Just flag down one of these new Chevrolet demonstrators we've got cruising the streets—and take over!

You'll feel the handling ease that took the twists out of the winding Pikes Peak road. And you'll see what we mean by record-breaking power. These Chevrolets are powered by the new 205 h.p. "Super Turbo-Fire V8"—an extra-cost option that pours out all the action you could ever ask for!

So, give one of our new Chevys the high sign—just for fun. Watch for us—and we'll be watching for you!

made for a party Tuesday, Nov.
29th for members and prospective
members.

Packaged Pot-Plants In Stores

Packaged cut-flowers and pot-
plants soon may become staple
items on the shelves of supermar-
kets and one-stop shopping cen-
ters.

A study underway by the Texas
Agricultural Experiment Station
in Bryan indicates that these
floral items will move readily
if they are marketed in con-
venient form at prices within the
means of the average home-
owner.

Five kinds of pot-plants and 10
kinds of cut-flowers packaged in
cellophane bags were sold over
several months in a grocery su-
permarket and a variety store.
Display cases were restocked as
needed.

Cooperating in the mass-mar-
ket floral study are the Depart-
ments of Floriculture and Land-
scape Architecture and Agricul-
tural Economics and Sociology.

This study shows that such floral
items must be of a kind that
can be used by the average pur-
chaser, they must be seen in
good condition in the form to be
used in or around the home and
they must be in a form for easy
carrying.

Many florists believe mass-
market outlets will help establish
a custom of more frequent use
of flowers in the average home.

Details of the study are avail-
able from the Agricultural Infor-
mation Office, College Station,
Texas.

Are All Cold Remedies Alike?

No! For example, 666 is the wide-
activity medicine, which combines 4
of the most effective, widely-pre-
scribed drugs known, to relieve all
cold miseries sooner. 666 is more
potent and gives positive, dramatic,
rapid relief from miseries of all kinds
of colds. That's why 666 is unsur-
passed in effectiveness. Try it.

LITTLE THINGS THAT COUNT;
AUXILIARY VISITS PATIENTS

Maybe you as a reader missed those two little stories, but as editor they made an impression on us.

A few months ago the Auxiliary of the LaCoste VFW post drove into San Antonio to a hospital housing veterans and spent an evening entertaining them with simple games, refreshments and surprises. At the time, they reported that the "honored guests" were most appreciative and commented on the wonderful evening.

On Veterans Day they made a repeat performance, again going in to the hospital with their entertainment and food snacks.

We feel that such acts of kindness should be recognized. It was a simple, easy thing for the LaCoste group to do yet was such a delightful break in an otherwise prosaic routine for those whose lot it is to be confined to a room, a bed, or a wheel chair.

There should be added stars in the crown of the LaCoste Auxiliary. It's the little things that count.

Looking For Fast Buck?
Points For Deer Hunters --

Since the woods are full of men seeking a fast buck, we think it appropriate to offer a few points of advice on that dearly beloved sport now in full swing.

1. For maximum safety in hunting deer, stay at home.
2. If you must go, take along a loaded gun. Remember, it's the empty guns that kill people.
3. Wait 'till you get back home to shoot the bull. Dead bulls will cost you plenty — especially on posted property.
4. If someone fires at you and misses, don't lose your temper and return the fire. Shout "I surrender!" then lie still for a few minutes. If they continue to shoot, start crawling in the opposite direction. You are either on private property or the hunter is convinced you are fair game.
5. If you come back empty-handed, don't tell your neighbors that you hit a 12-point buck at 300 yards but "he wouldn't go down."
6. Just be thankful you got back.

Fletcher Davis

ACKNOWLEDGES HIS INDEBTEDNESS
TO PROF. W. N. SAATHOFF
FOR THIS STORY OF A PIONEER

(Continued From Last Week)

Here the Indians made frequent attacks, but to no avail. It was here that Mr. Haby killed his first Indian whom he caught stealing his horses. It was in 1870 that the aborigines made their last raid upon the settlement. They came to Nicholas' place, took horses from his brothers, Joseph, Ambrose, Andreas and from Mr. Monier. They also took the mules from Mr. Wilmer who was a freighter. It was about midnight when Andreas came to Nicholas' home and told him of the Indian raid and returned home to care for his own. He had 2 horses in a small trap and had trained them to come up at a whistle. He gave the whistle and the ponies came and were tied for safety. He then took his gun, loaded with buckshot and hid in the shade of a giant live oak about 50 yards from where the horses were tied. It was a beautiful moonlight night—to lay in wait of the enemy. With his shotgun across his lap and his hand on the trigger, the sturdy pioneer watched and waited for the Indians who would have to come by him if they wanted the horses. A rail fence partially protected him. These were called rail or panel fences made of posts and poles. No wire fences. They came in 1881. After several hours, the horses seemed to be disturbed, casting a look north of the pasture fence—Indians! Nicholas readied his gun. The horses were frantic. The Indians were near. He saw them coming in a trot, stooping near the fence on the outside going straight for the horses. The Indians passed by Nicholas who got set to shoot the leader. The Indian was casting a look between the top rail and one just below. Just then Nicholas fired, the Indian fell two others made their escape. Nic waited but no Indian returned. He ventured to the spot to view his booty. He found the Indian dead. It being late, he went home, got bedding, and lay down watching for the return of the Indians. None returned. Nicholas examined his prey — eight buckshot had struck him in the face and forehead and two in his mouth. The Indian had a flint rock rifle-cocked, but not fired. The Indian had undoubtedly seen Haby, but wasn't sure. The Indian had a shot pouch, powder horn, a bow and arrows, a knife, rope and a blanket. He was a powerful specimen.

The news of the dead Indian spread thruout the village and many came to view the dead Indian.

Quite a commotion ensued. One old man whose horse had been stolen said, "If I ever see a dead Indian, I'll cut his guts out." He jerked out a knife and did it. Another one said he would like to have his hair which was more than waist length. Frank Haby, a youth, scalped the Indian and gave the old man the souvenir. The body of the Indian was dragged about 200 yards from the house for the hogs to eat. Mrs. Haby refused to eat pork after that.

About a fortnight later, the Indians returned to look for their comrade, but didn't come close to the house. Their tracks were seen in the fields, and the dogs barked all night. These Indians were of the Kickapoo tribe. The descendants of the Haby brothers number in the hundreds and are scattered to the remote sections of Texas and are of the most reliable citizens, loved and respected by all.

W. N. Saathoff
FD
The foregoing story by Mr. Saathoff calls to mind the fact that it was this columnist's privilege to enjoy Mr. Haby's acquaintance—and to be of some

small service to him.

Besides being a pioneer Castro colonist and an Indian fighter, he was a veteran of the war with Mexico in 1846-'48, and because of that service, became a pensioner of the Federal government.

In his old age he retired from ranch life and made his home with a widowed daughter, the late Mrs. Barbara Hans, who lived just across the river near the highway crossing east of the town of Castroville.

In 1901, this columnist secured his first license as a Notary Public and his third official act after being appointed was to certify to Mr. Haby's pension claim.

To render this service, he had to take his seal in hand, walk over to Mrs. Hans' home, fording the river just below where the bridge now stands, and witness the old gentleman's signature on his voucher claim; he was too weak from age to get up from his bed to write his name.

This procedure was repeated several times, according to our records, but we have no record of just when his life came to an end.

The record of his life, as would that of many other pioneers of his day, would make an epic story if told in full.

We are sorry our association with them was too brief for us to acquire that data.

SECO PHILOSOPHER WANTS

Job Teaching Farmers How To Loaf
If Government Rents Their Land

Editor's note: The Seco Philosopher on his Johnson grass farm sounds like he's fighting a windmill this week, but you never can tell.

Dear editor:

Naturally I have been following all the political speeches and comments in the papers over what ought to be done about the farm price situation, and while I'm not sure anybody can come up with a complete solution, it's awfully comforting to know somebody is thinking about you.

Naturally also every time somebody makes a suggestion, somebody else has an objection.

Along this line, one of the proposals to cut down on the surplus and raise the price for farmers is to have the government rent some of your land and thus keep it out of production, and I guess it'd work, because I don't know many government workers who'd be very much at farming anyway, that'd be an excellent way to cut down on production, but the objection to this is that it would be unfair to a farmer to rent part of his land and throw him out of part of his year's work, even if he got paid for it.

It might spoil a farmer to let him get in the habit of seeing part of his land lie idle," the argument goes. "The government can't afford to risk getting a far-

mer out of the habit of working all his land. Idleness is the devil's workshop."

Obviously, this calls for an expert, and if there's anything I'm an expert at, it's watching land lie idle.

I will be glad to take on the job of letting other farmers in on how they can survive with their character intact the dangerous job of letting some of their land go unworked for a year or so. For a reasonable fee, which in lawyer's language means a pretty hefty price, I will set up a school of instruction in the art of safe, non-habit-forming loafing. I have pioneered in this newer branch of agriculture and I'm just the man the government's looking for. It has taken me years to reach this point, but I am prepared to face the government's land rental program unafraid and confident I can meet it and survive, if the rental payments are high enough.

In case the government doesn't hire me, though, and still goes ahead with its plans for paying a farmer for not producing on part of his land, I think it would be only fair that they make the payments retroactive. I've got land out here that's been non-productive for years.

Yours faithfully,
J. A.

Pep Squad Ends Season At Banquet

D'HANIS — Activities of the D'Hanis Pep Squad will come to an end for this season when the Cowgirls honor the team and Coach J. M. Slavik with the annual football banquet Wednesday evening. With the exception of one game, the girls have enlivened the Cowboys' contests with their usual half-time entertainments. Precision, grace and ease, mark the performance of the girls. Their final show was at the LaPryor game in that town Friday night, when they gave their original martial version of folk-dance steps. While the percussion instruments beat out the rhythm of "Auld Lang Syne", the girls came to a halt after outlining the shape of a champagne glass in midfield.

The committees in charge of the banquet are as follows: Judy Slavik, general chairman; entertainment, Mary Lois Langfeld; decorations, Joan Rieber; place cards, Patsy Turner; invitations, Ann Langfeld; food, Bernice Lutz; table appointments, Carmel Ibarra and Esther Del Toro.

The climax of Wednesday's banquet will be the announcement of personnel for 1956 to succeed the following: majorette, Judy Slavik; twirlers, Mary Lois and Ann Langfeld; cheerleader, Patsy Turner; assistant cheerleaders, Joan Rieber and Mary Reyna; mascot, Mary Ann Nehr.

In Memoriam
In memory of our beloved Mother, may we share a prayer of Thanksgiving with our many friends and relatives in Texas. Your kindness and sympathy are most deeply appreciated and to our Lord, we give thanks.
"Thankful Hearts"

"Dear Father in heaven, Thy mercies have been for more and better than we have ever deserved. We know that all this goodness comes to us through our blessed Savior, who has redeemed us and made us acceptable in Thy sight. Give to all Thy believing children a heart that is constantly thankful. Come into our hearts Lord Jesus, that this hallowed moment of rest in Thee may inspire our complete trust in all things spiritual and material. In gracious thankfulness we pray for this guidance.
O great and good Shepherd of all souls."

It was the Psalmist who said, "He bringeth them unto their desired Haven", indeed we know He brought Mother through the portals into the land of fadeless days. We give thanks, Dear Lord, for the privilege of seeing our Dear Mother leaving us with her eyes aglow with the gladness of paradise, as if God's City was just in sight.

It is indeed blessed to remember her last words, "What joy, What joy and 'I'm so happy." Dear Lord grant this blessing to us all. We read in II Cor: 5:8 "To be absent from the body is to be present with the Lord." No wonder she said, "What joy, What joy!"
God Bless you all, and may we be reminded that we are only transients, too. We are proud and privileged to say, "We are the children of Ernst and Theresa Brotzen, our Dear departed parents."

Owls Rally To Cinch Title

By Charles Tilley

An over-confident Owl football team awoke at half-time Friday and found that they were a full six points behind. The boys, realizing they were supposed to be engaged in a little game of football, came back fired up and beat the Pearsall Mavericks, 25-6. This win gave the Owls the title, "29-A District Champions".

The Owls, in a sparkling beginning, held the Mavericks to two yds. in three plays. Pearsall punted to the Owl 35. The Owls racked up two quick first downs. They pushed their way on down to the Maverick 23. A pass from Hartman to Angermiller was intercepted, and the Mavericks were on the move. Pearsall chalked up two first downs before the Owls were able to tighten and force them to return the ball. Following the punt, the Owl set up on their 30. In two plays, one by "Pistol Pete" and the other by Woolls, the Owls had it first and ten on the 40. Later, with Muenink, Woolls, Schulte, and Neuman cutting down opposition, Angermiller swept around right end and set up camp on the Pearsall 18. An incomplete pass, a penalty, and the Owls handed the ball back to Pearsall on the Maverick 16.

The game turned into a "see-saw" with both sides punting on fourth down. With a few minutes left in the second quarter, Hondo had the ball on their own 42. Hartman set a pass aloft, and the interception resulted as six points for the Mavericks.

The half-time found the Hondo Owls sitting at one end of the field staring at a brightly lit scoreboard which proudly announced the 6-0 score. Something had to be done . . . and it was. The Owls received the second half kickoff. Jerry Muenink snapped the ball to Hartman, and "suddenly there was a valley" . . . right down the middle of the field. Pete Angermiller scampered through for six points.

On the sixth play following the next kickoff, the Mavericks surrendered the ball. On the Pearsall 35, the Owls set up camp. Somewhere between Gary Schweers and Tommy Koch, a door was opened and again "Pistol Pete" scampered through for six. The score stood 12-6 and the Owls were putting mustard on their sandwiches.

The following Pearsall attack was stopped on the 50 yd. line. From the Owl 20, Pete carried for 9 yds. Then fullback Butch Woolls nosed through for a first down. Angermiller followed Jerry Muenink down to the 46 for another first down. Neuman pushed for 4 yds. Woolls added 5. Then Angermiller rode the escalator (set up by Schweers, Neuman, and Windrow) down to the 26 yd. line. Neuman went wide for 2 yds. Pete flew to the 9. The Owls got the hiccups (5 yd. penalty) on the 4 yd. line. Angermiller swam down the river in the middle of the Pearsall defense, and Woolls carried over center for the tally. Schulte's shot for extra point was wide; the score . . . 18-6. The Owls had a little lettuce on the sandwich.

The Mavericks came to life. They moved the ball to the Hondo 30. The lost dogies fumbled, and the Owls recovered. From the 30, Angermiller advanced five yds. Two plays later, Woolls banged a first down. Pete went over tackle to the 28. Hartman moved to the 18. Woolls added 5. Then, Hartman, finding no one to give the ball to, crossed the Maverick goal for a touchdown. Schulte put one perfectly through the bars, and the score stood 25-6 . . . and 25 to 6 it was the final minutes ran away.

The Owls play host to the San Felipe Mustangs this Thursday night at Barry Field. The following week the Owls meet Three Rivers here for the Bi-District tilt.

DIANAS OF THE HUNT

Mrs. Arthur Brucks (Mary) bought a new 2.22 rifle from Don Tschirhart and he told her he'd be disappointed if she didn't get a buck with it. Not one to let a friend down, Mary went out Wednesday evening and got a 4-point and an 8-point on her father-in-law's ranch, (John G. Brucks).

Mrs. Janice Brucks, wife of Arlie Brucks also hunting on her Grandad's ranch, brought down an 8-point at 8 a.m. Wednesday. Arlie got a 10-point at 7 a.m.

Mrs. Harriett Riff, had the thrill of killing her first buck with a 2.22 rifle Wednesday afternoon on the Robert Riff Ranch. It took 2 shots, and some tracking by her husband, Douglas Riff, to bring home the venison.

SPEAKING OF SPORTS

Pearsall Wakes Up Owls

It's a mighty good thing that Fleet Pete Angermiller got finished with his plowing early last Friday . . . for if he had been working late . . . the Owls might have had a long ride home. The win cinched the district title for Hondo. The Owls came out with a deserved 25 to 6 victory, but not before Pearsall made the Owls (and fans) realize that you do not win games just with an impressive record or by going through the motions. You have to play aggressive fired-up football each week to win championships. That's why champions ARE champions. It was a good lesson. Let's hope the Owls are equally good students and do not have to be shown again. Pearsall played a game they can be proud of. They were just out manned . . . if the Owls meet another team with the same spirit and a bit more talent, they will have to be ready. To borrow a phrase: When the going gets tough, the tough get going. It was good to see the Owls' spirit when they got behind.

Even though the Owls out-gained the Mavericks in handy fashion, an intercepted pass on the line of scrimmage at the Hondo 40, gave Pearsall a 6 to 0 half time lead. Hondo had 111 rushing yards to 57 for Pearsall at half-time. The Owls moved good between the 25 yard lines, but could not manage a score as they advanced as far as the Pearsall 21 and 18 on two occasions. The Pearsall 1st half offense was never able to get over 1 yard past mid-field.

Angermiller Sparks Owls

The Owls came out for the 2nd half with renewed spirit and quickly took command. On the 1st play from scrimmage, the center of the Hondo line opened a quick hole and Angermiller put the Owls in business with a beautiful 55 yard TD run. A few plays later, Pete again broke through a hole, the line had opened, and off he went once more . . . this time for 65 yards and TD No. 2. Hondo rushed for 195 yards in the 3rd quarter and Angermiller ran for 182 of them! TD No. 3, in the 4th period, climaxed a 80 yd. drive as Woolls plowed over from the 4. Fleet Pete accounted for 64 of the 80 yards!

Angermiller will be a marked man from here on . . . each Owl will have to make it his personal task to keep as many opponents as possible away from him.

The Owl line composed of Center Jerry Muenink, Guard s Johnny Windrow and Tilley, Tackles Tommy Koch and Gary Schweers and Ends Richard Schulte and Billy Neuman, did a fine job of opening holes for the four last half TD's.

Further Game Comments

The Owls cut down on their penalties getting only five, all of the 5 yard variety.

QB Hartman had confidence the Owls had Pearsall out manned mid-way in the 4th quarter when with a 18 to 6 lead and facing a 4th down on his own 38 with 2 or 3 yards needed, he called on Woolls to make it. He made it too, as he bulled for a 14 yard gain.

Billy Neuman had to punt only one time in the contest . . . good for 38 yards as the ball rolled dead on the Pearsall 4.

Jerry Muenink carried through to get credit for blocking Pearsall's extra point try.

Angermiller lead all ball carries as he carried 22 times for 286 yards to get a 13 yard average! Woolls was next with 50 yds. in 13 tries. Billy Neuman went 20 yards in 2 carries. Hartman took the ball 3 times for 18 yards and got one TD while Don Neumann got 12 yards in 8 carries.

Pearsall's deepest penetration was in the 3rd period to the Hondo 28 yard line.

Game Statistics	
Hondo	Pearsall
20 1st Downs 8	
411 Rushing Yards 113	
22 Passing Yards 69	
433 Total Yds. Gained 182	
9 No. Passes 15	
2 Passes Completed 4	
2 Intercepted By 1	
25 Penalties 50	
50 No. Rushing Plays 33	
59 Total Plays 48	

The Owls' passing game was definitely off, but was most successful with running plays. It's nice to have both games handy . . . if one fails you can switch . . . until one or the other works for you . . . we hope.

San Felipe Here Thursday

The district champion Owls play host to San Felipe this Thursday night (not Friday) on Barry Field. Even if San Felipe should defeat the flock, Hondo would still be district champions . . . a feat no one expects of the visitors. The Mustangs have had a unimpressive record, as their only district win was over Cotulla.

This will probably be the last time the two teams will meet for some time, as San Felipe has been placed in another district for next year. They will be replaced by Dilley.

The new scoreboard is due to be ready for the Thursday nights game . . . and if the game goes as expected . . . the board should get a nice workout.

In all probability, Alvin Hartman will be held out of most of the game Thursday with Angermiller taking over QB chores. Woolls will move to HB so he can run with the ball more. Larry Keel and Ray Highsmith will be due more action to prove their role as Hondo prepares for the State play-offs.

Three Rivers Here For Bi-District

Three Rivers won their district so it will be a repeater from last year . . . only this time, the contest will be held in Hondo, Friday, Nov. 25. The Owls gave Three Rivers a sound trouncing last year so we can expect a revengeful opponent on Barry Field for the beginning of the Class A State play-offs. The winner of this game may have Hebbroville as their opponent . . . they are reported even stronger than last year!

RESOLUTION OF RESPECT

Whereas: It has been with sorrow that the Lord has called to rest our beloved friend and member.

WILLIAM LEWIS NENTWICH Who departed his life Friday, October the 28th, at the age of 61 years.

Whereas: With his passing, we have been bereft of one who occupied a prominent place in our club, and activities. Therefore, be it resolved that we the officers and members of the Macdona Shooting Club, extend to his bereaved wife and family, our sincere and heartfelt sympathy, and offer our condolence in this their hour of sorrow.

Be it: Resolved, That a copy of this resolution be sent to the bereaved family, and one sent to the Anvil Herald for publication and one place in the book of minutes of our club.

MACDONA SHOOTING CLUB, Committee, Attested, Arthur J. Vogt, President, Laura Jackel, Arthur H. Nentwich, Otelia Schirmer.

CARD OF THANKS

The kindness and sympathy of neighbors and friends in our recent sorrow will always remain with us as a precious memory. Our sincere thanks to the Hondo Methodist choir, the organist and Bro. Earl Slade.

Comets Academic League Champions

CASTROVILLE — The Peacock Kadets proved good city cousins for the Comets as they were defeating the T. M. I. Panthers and knocking them out of first place in the South Texas Academic League. The loss moved the Comets into first place and closed out a successful season by emerging as League Champions. The same evening, the Comets themselves held the Bracketville Tigers to a 13 - 13 tie as they played one of their best games of the year.

The Tiger - Comet game was really two games in one. The first half was a wild, free-scoring affair while the second half turned into a bitter defensive duel. Bracketville scored first, using the Power T to move their fine quartet of backs 57 yards to the goal. Talamantez, who ran wild against the Comets last year, went over from the two and added the extra point from placement. The Comets, however, came back quickly. Royce Groff swept around right end to pick up 63 yds, and set up the first Comet touchdown. A couple of plays later, Keller powered his way into the end zone. The Tigers fumbled the kickoff, and Lutz recovered. A pass from Groff to Etter moved the ball down to the fifteen. Groff found a nice hole at right guard and moved the Comets ahead. Espino, kicking barefoot as usual, added the extra point.

The game became even more wild and woolly as the teams began to trade the ball on fumbles and interceptions. The Tigers were finally able to hold on to the ball long enough to put together their second good drive, and again it was Talamantez who shook loose from the ten and went over for his second TD.

The second half was quite different and the center of attention shifted from the free-wheeling backs to grueling defensive play in the line. So hard was the tackling on both sides that after many of the plays the ball-carrier was left shaken up by the vicious tackles. Fortunately, no one was seriously injured and all returned to play. The third quarter was played mostly in mid-field. In the fourth quarter, the Comets began chopping their way in short gains but were stopped on the twelve, as they took too much time on a fourth down play and drew a five-yard penalty that perhaps kept them from scoring an upset victory. The Tigers then began to claw along the long trail but the referee's final signal found them only down to the Comet 16.

In offense, it was again Royce Groff who led the way as he picked up an additional 145 yds. rushing to run his total for the year to 1150 yards. He also maintained his record of scoring in every game for the Comets. The real heroes, however, off the game for the Comets were the center of the line, Dennis Haby, Francis Lutz, Emil Zinsmeyer and Albert King all played their best games with able assistance from linebackers Henry Keller and Justin Jungman. For seniors Keller and Quarter-back Etter, it was their last game in the Comet colors, and another senior, David Bippert had to sit out the final game because of an injured finger. His little brother, Johnny however, filled in at big brother's position of center and acted like he wants to keep the job for next year.

In the statistics department Bracketville had the edge. They were way ahead in first downs, 15 to 9. In passing, they tossed 14 times for 66 yards but had two intercepted; the Comets took to the air 4 times for 32 yards. The yardage rushing was a bit closer but Bracketville still had a slight edge, 188-173. But in the only really important statistic, the final score stood at 13 - 13.

SNAKE TAIL

Dog Tale

Dunlay, a 2½ year old part cocker that owns Dr. and Mrs. J. H. Jennings, is the hero of this snake story. Dunlay got her name because friends living in Dunlay gave the pup to the Jennings.

On an inspection tour of the ranch Friday, Nov. 11, Mrs. J. H. Jennings stayed in the car while Dr. and his dad, Ray, wandered off. She heard Dunlay give a few "woofs" and knew that she had bayed a snake—Dunlay has a special voice when she finds a snake.

Mrs. Jennings got out to investigate and called the men. They were without guns so they killed the 5 ft. 2 in. rattler with rocks. Hanging, the snake stretched to 5 ft. 7 ins. It had 8 buttons, but looked as if rattles had been broken off.

Eagles Claw Castroville At Homecoming Game

The LaCoste Eagles defeated the Castroville Wildcats in a hard fought District 34-B game on the Wildcat Field Saturday, Nov. 12. The final score was 14-0.

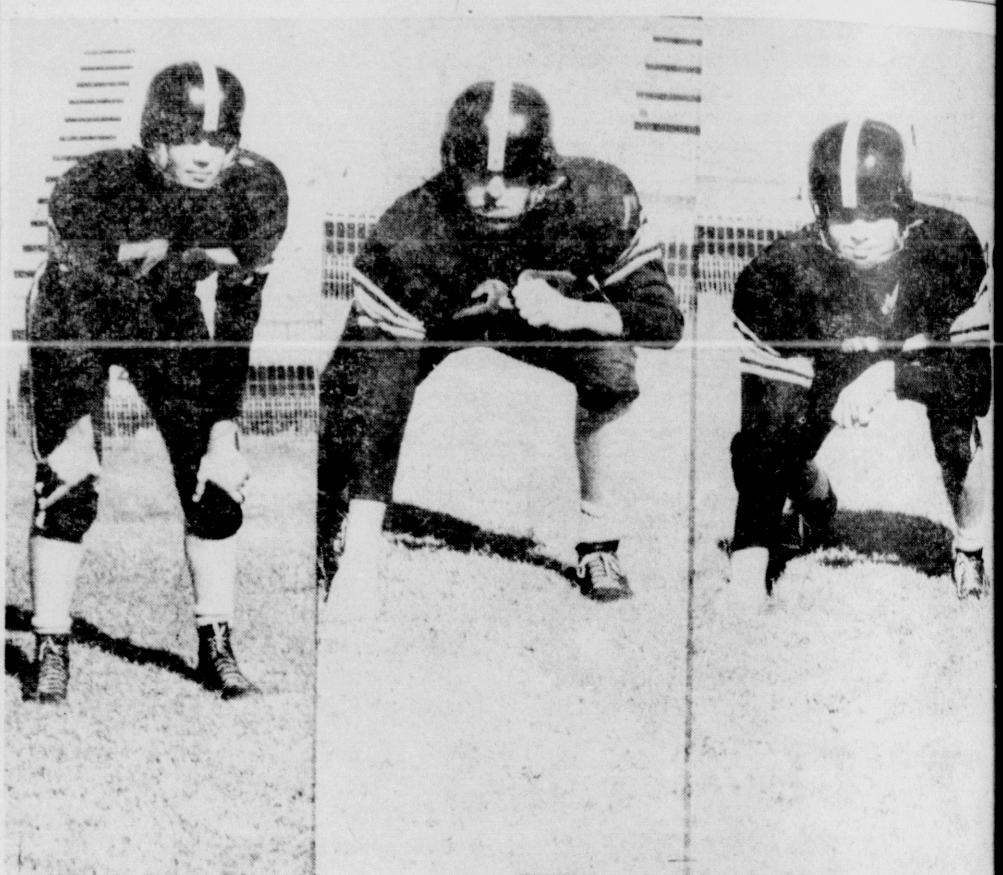

The Eagles started scoring midway in the first quarter with Gary Griffin plunging over for the first TD. The remainder of the first quarter, after a successful conversion by the Eagles, was a see-saw battle.

The second quarter saw the Eagles score again with Griffen carrying for 6 yards and another 6 points. The extra point was converted, making the score 14-0 with the Eagles on top. The Wildcats started a long drive but were quickly halted by the close of the first half.

The second half opened with the Wildcats kicking to the

Eagles. They failed to gain the necessary yardage for a first down. After exchanging sides in the third quarter, the Eagles started a long drive but were held from scoring by a strong Wildcat defense. The fourth quarter proved to be the best of the ballgame. It was the scene of hard-hitting and tackling with both teams showing fine defensive play. The Wildcats had the best opportunity to score on an intercepted pass which was backed 40 yards to the Eagle 3 but they were unable to go on for a TD.

This hard fought grid battle was the last in high school football for the Wildcats. Outstanding players on the Wildcat squad: Kenneth Bender, Jarvis Stein and C. J. Krennler.

DON'T DROP YOUR GUARD — for here are three Owl guards. On the left, is Albert Vance, who has seen some action since Sherrill Norwood injured his knee in the Crystal game. Norwood had established himself as an Owl mainstay

and has not been able to suit up since his injury. In the center is Johnny Windrow, a hard blocking offensive guard and a equally hard tackling defensive end.
